

Connections Register

Last updated: 11th July 2023

SONI have developed this Connections Register in compliance with Grid Code PC6.4.1. For any queries on this Connections Register, please contact: connections@soni.ltd.uk

SONI issue offers to NIE Networks, in its role as Distribution Network Owner, for the Transmission works to connect Cluster Substations under Section 5 of the Transmission Interface Arrangements. These are not covered in the SONI Connection Register. For more information on Clusters, please see here: <https://www.nienetworks.co.uk/connections/generation-connections/generation-useful-resources>
